## **Offertory Prayer**

***(Please Pray with me)***

Gracious and holy God, thank you for the unmerited grace you give each of your children. Thank you for the love you give us that knows no bounds. Thank you that nothing we do can separate us from your love. As children of God, who long to serve you, your children, and your creation, we ask that you accept our offering, multiplying it as we use it according to your will here in this place and beyond. May our service to you be far reaching and all-encompassing to all your children now and always.

In Jesus' holy name, amen.
