Offertory Prayer

(Please Pray with me)

Thank you God for providing all that we need. You know our needs before we ask and yet, as a loving God, you wait patiently for us to ask. We have not because we fail to ask. Turn our minds and feelings to your Divine presence and create in us a deeper dependence on your grace.

As an example of deeper dependence on You, we tithe our gifts & resources to you that we may be giving our whole self to you. Receive this our offering to love you more personally. Amen.
