***(Please Pray with me)***

Holy God, loving parent; your patience with your children is beyond our comprehension! How many times have we sung praises to you “from whom all blessings flow” and yet in our lives, in our practice and in our giving, we’ve acted like most of those blessings are from our own – to do with as we wish? Often, we have been deaf to your teaching and blind to your leading. May the gifts we give today be a token to our goal to live generous lives that honor you and express gratitude for your goodness to us. In the name of Jesus, our savior, we pray. Amen.
